CLAUSE ONE – PURPOSE: This agreement grants the BORROWER a term loan to finance working capital, fuel purchases and payroll during its expansion into the Boston market.

CLAUSE TWO – TERM: The loan term is 18 (eighteen) months from the disbursement date.

CLAUSE THREE – PAYMENT: The BORROWER shall repay the loan in 78 weekly installments of \$3,204.29, debited automatically every Friday from the BORROWER's operating account. Interest is charged at 1.95% per month on the original principal for the full term, regardless of any principal already repaid.

CLAUSE SIX – PERSONAL GUARANTEE: The GUARANTOR unconditionally and irrevocably guarantees every obligation of the BORROWER under this agreement, waives any right to require the LENDER to pursue the BORROWER first, and agrees that the guarantee is unlimited in amount and survives any amendment of this agreement made without the GUARANTOR's consent.

CLAUSE SEVEN – COVENANTS: While any amount is outstanding, the BORROWER shall keep a debt service coverage ratio of at least 1.25, shall not take on any other debt above \$25,000.00, and shall deliver monthly bank statements to the LENDER. Breach of any covenant is an immediate event of default.

A default by the BORROWER under any other loan, lease or agreement with any creditor is also an event of default under this agreement.

CLAUSE NINE – ACCELERATION: The LENDER may, at its sole discretion and without prior notice, declare the entire outstanding balance, all future interest and the prepayment premium immediately due, and may debit any account of the BORROWER or the GUARANTOR to collect it.

CLAUSE TEN – JURISDICTION: This agreement is governed by the laws of the State of New Hampshire. The BORROWER and the GUARANTOR submit to the exclusive jurisdiction of the Courts of Hillsborough County, New Hampshire, and waive trial by jury.
